Rache und Triumph Loretana de Libero, 2014-09-10 die Faust wird gereckt, die Pickelhaube getreten. Feindbilder spielen auch im Gefallenengedenken vieler Nationen eine nicht geringe Rolle und sind nicht selten auf Kriegerdenkmälern in offensive Formen gegossen worden. Bei Kriegsende wurde oftmals nicht nur trauernd der Toten gedacht, sondern zugleich in Wort und Bild über den Besiegten triumphiert, dem Sieger Rache angedroht. Loretana de Libero betrachtet hier erstmals mit Blick auf die Emotions- und Stereotypforschung die heißen Gefühle und ihren bildlichen Ausdruck in den Gedenklandschaften Deutschlands und seiner Kriegsgegner.

Those Shoes Maribeth Boelts, 2016-10-11 But all the kids are wearing them! Any child who has ever craved something out of reach will relate to this warm, refreshingly realistic story. Features an audio read-along. I have dreams about those shoes. Black high-tops. Two white stripes. All Jeremy wants is a pair of those shoes, the ones everyone at school seems to be wearing. But Jeremy's grandma tells him they don't have room for want, just need, and what Jeremy needs are new boots for winter. When Jeremy's shoes fall apart at school, and the guidance counselor gives him a hand-me-down pair, the boy is more determined than ever to have those shoes, even a thrift-shop pair that are much too small. But sore feet aren't much fun, and Jeremy comes to realize that the things he has -- warm boots, a loving grandma, and the chance to help a friend -- are worth more than the things he wants.

Bootstrapper Mardi Jo Link, 2014-04-08 A hilarious memoir about a newly single mother who makes a seemingly impossible resolution: to stay in her century old-farmhouse and continue raising her three boys on well-water, chopping wood, and dirt. "Glints with Link's raw, willful energy.... Possesses that rare, elusive, but much sought-after feeling of authenticity. (The New York Times Book Review) When Mardi Jo Link finds herself newly single after nineteen years of marriage, she decidesto stay in her old farmhouse with her three boys. Armed with an unflagging sense of humor and a

relentless optimism that would put Rebecca of Sunnybrook Farm to shame, Link and her resolute accomplices struggle through one long, hard year of blizzards, foxes, bargain cooking, rampaging poultry, a zucchini-growing contest, and other challenges.

Great Soul Joseph Lelyveld, 2012-04-03 A highly original, stirring book on Mahatma Gandhi that deepens our sense of his achievements and disappointments—his success in seizing India’s imagination and shaping its independence struggle as a mass movement, his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country’s minorities, outcasts, and rural poor. “A revelation. . . . Lelyveld has restored human depth to the Mahatma.”—Hari Kunzru, The New York Times Pulitzer Prize-winner Joseph Lelyveld shows in vivid, unmatched detail how Gandhi’s sense of mission, social values, and philosophy of nonviolent resistance were shaped on another subcontinent—during two decades in South Africa—and then tested by an India that quickly learned to revere him as a Mahatma, or “Great Soul,” while following him only a small part of the way to the social transformation he envisioned. The man himself emerges as one of history’s most remarkable self-creations, a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action. Lelyveld leads us step-by-step through the heroic—and tragic—last months of this selfless leader’s long campaign when his nonviolent efforts culminated in the partition of India, the creation of Pakistan, and a bloodbath of ethnic cleansing that ended only with his own assassination. India and its politicians were ready to place Gandhi on a pedestal as “Father of the Nation” but were less inclined to embrace his teachings. Muslim support, crucial in his rise to leadership, soon waned, and the oppressed untouchables—for whom Gandhi spoke to Hindus as a whole—produced their own leaders. Here is a vital, brilliant reconsideration of Gandhi’s extraordinary struggles on two continents, of his fierce but, finally, unfulfilled hopes, and of his ever-evolving legacy, which more than six decades after his death still ensures his place as India’s social conscience—and not just India’s.

Raleigh Manuel Auad, 2016 Henry Patrick Raleigh (1880-1944) was an American illustrator whose drawings of society life defined the Gatsby era. He rose from school dropout at age 12 to esteemed Saturday Evening Post illustrator within the span

of two decades. During his nearly forty-year career, Raleigh served as one of the highest paid newspaper and magazine artists in the United States, the lithographer behind many of the United States' government's iconic World War I propaganda posters, and arguably the most prominent story illustrator of the Jazz Age. Raleigh was an incredibly prolific artist, having published 20,000 illustrations by the time he was 43. As a commercial artist working in the field of advertising, very few individuals published as many of their illustrations or earned as much income as Henry Patrick Raleigh. In addition to The Saturday Evening Post, Raleigh's illustrations graced the pages of the era's definitive publications, including Harper's Bazaar, Collier's, and Vanity Fair. They also visually embodied the words of H.G. Wells, William Faulkner, F. Scott Fitzgerald, and Agatha Christie. This volume is lavishly illustrated with rarely seen photographs and illustrations taken from the private collection of the artist's grandson, Christopher Raleigh. Almost every illustration in the book was scanned from the original, in order to attain an extremely high-quality level of reproduction. * Thoughtful introduction and essay by Christopher Raleigh on his grandfather's life and art * 130 pages of color illustrations on glossy stock with two large foldouts * deluxe hardcover with dust jacket

Israel schafft sich ab Gershom Gorenberg, 2012-08 Ich schreibe aus einem Israel mit gespaltener Seele. Gespalten zwischen seinen demokratischen Idealen und religiösem Fanatismus. Zwischen der Illusion eines freien Staates und der Realität einer repressiven Besatzungsmacht. Und der Riss, der durch den Staat geht, wird immer größer. Der renommierte Historiker Gershom Gorenberg zeigt, vor welchen Herausforderungen Israel heute steht. Die drängende Frage lautet: Wie kann Israel verhindern, dass es sich selbst zerstört? Eine scharfsinnige, unverzichtbare Analyse, ebenso besorgniserregend wie hoffnungsvoll. New York Times

Bicycling with Butterflies Sara Dykman, 2021-04-13 "What a wonderful idea for an adventure! Absolutely inspired, timely, and important." —Alistair Humphreys, National Geographic Adventurer of the Year and author of The Doorstep Mile and Around the World by Bike Outdoor educator and field researcher Sara Dykman made history when she became the first person to bicycle alongside monarch butterflies on their storied annual migration—a round-trip adventure that included three countries and more than 10,000 miles. Equally remarkable, she did it solo, on a bike cobbled together from used parts. Her panniers were recycled buckets. In *Bicycling with Butterflies*, Dykman recounts her incredible journey and the dramatic ups and downs of the nearly nine-month odyssey. We're beside her as she navigates unmapped roads in foreign countries, checks roadside milkweed for monarch eggs, and shares her passion with eager schoolchildren, skeptical bar patrons, and unimpressed border officials. We also meet some of the ardent monarch stewards who supported her efforts, from citizen scientists and researchers to farmers and high-rise city dwellers. With both humor and humility, Dykman offers a compelling story, confirming the urgency of saving the threatened monarch migration—and the other threatened systems of nature that affect the survival of us all.

Writing About Your Life William Zinsser, 2005-03-28 Written with elegance, warmth, and humor, this highly original teaching memoir by William Zinsser—renowned bestselling author of *On Writing Well* gives you the tools to organize and recover your past, and the confidence to believe in your life narrative. His method is to take you on a memoir of his own: 13 chapters in which he recalls dramatic, amusing, and often surprising moments in his long and varied life as a writer, editor,

teacher, and traveler. Along the way, Zinsser pauses to explain the technical decisions he made as he wrote about his life. They are the same decisions you'll have to make as you write about your own life: matters of selection, condensation, focus, attitude, voice, and tone.
