God Knows Best: Apec Png 2018: My Way Lahui Ako, 2023-04-10 Lahui Ako, a former diplomat, and PNG APEC Senior Official, recounts the complex, difficult, and sometimes treacherous path he faced in the world of multilateral diplomacy, both by himself, and his country, when it committed to host and chair APEC in 2018. He tells of the political barriers, the diplomatic innuendos, the financial hurdles, and the organizational complexity he encountered, from the planning phases in 2012, right up to being in the cross-fire of the nationalistic Trump officials, and China's aggressive "wolf warrior" diplomats where hard choices had to be made in November, 2018. Ultimately, there won't be a consensus APEC 2018 Leaders' Declaration, but Lahui and his team will acquit themselves well; simply, because, their God knows best.

Readers will appreciate the author's approachable style and will catch on quickly with this easy-to-follow, practical guide. Topics include CSS3 typography, bling boxes, navigation buttons, animated effects using CSS3, using CSS3 to implement icons, CSS3 layout chops, adaptive layouts and responsive design, fluid layouts and percentages, and styling media. The book's companion website offers a PDF of each chapter's cheat sheet, as well as sample code used in the book, available for free download and updated regularly.
