Fire for Effect John J. McGrath,2010 This study provides a historical survey and comparison between two key elements of the joint combined arms team, indirect fire support, as provided by field artillery and mortars, and direct aerial fire support (close air support (CAS) and interdiction) provided by aerial platforms (fixed- and rotary-wing aircraft). Since the beginning of modern combined arms operations in World War I, there has been a continual improvement and refinement of ground and air fire support means ... This study discusses the interplay and use of air and ground fire support elements in the modern period. The work begins with a brief background on the evolution of modern field artillery but is primarily concerned with the period from 1914 to the present. While it discusses all major technological and tactical innovations, the focus is clearly on the United States Army and the United States Air Force. Since at least 1941, the United States has led the way in technological and organizational developments in both aviation and field artillery--Page 1.

The Mistress Tiffany Reisz, 2018-01-15 An abducted dominatrix must find a way to survive in the continuation of this dark erotic romance series by a USA Today–bestselling author. Nora Sutherlin is in handcuffs, held captive by two men. Under different circumstances, she would enjoy the situation immensely, but her captors aren't interested in play. Or pity. As the reality of her impending peril unfolds, Nora becomes Scheherazade, buying each hour of her life with stories—sensual tales of Søren, Kingsley and Wesley, each of whom has tempted and tested and tortured her in his own way. This, Nora realizes, is her life: nothing so simple, so vanilla, as a mere love triangle for her. It's a knot in a silken cord, a tangled mass of longings of the body and the heart and the mind. And it may unravel at any moment. But in Nora's world, no one is ever truly powerless—a cadre of her friends, protectors and lovers stands ready to do anything to save her, even when the only certainty seems to be sacrifice and heartbreak Praise for the Original Sinners series “I loved the Original Sinners series . . . Her prose is quite beautiful, and she can weave a wonderful tight story.” —New York Times– and USA Today–bestseller Jennifer Probst “Tiffany Reisz's *The Original Sinners* series is painful, prideful, brilliant, beautiful, hopeful, and heart-breaking. And that's just the first hundred pages.” —New York Times–bestselling author Courtney Milan “Required reading . . . Stunning . . . Transcends genres and will leave readers absolutely breathless.” —RT Book Reviews “I worship at the altar of Tiffany Reisz! Whip smart, sexy as hell—*The Original Sinners* series knocked me to my knees.” —New York Times–bestselling author Lorelei James

Billy Cannon Charles N. deGravelles, 2015-09-07 Billy Cannon's name, his image, and his remarkable athletic career serve as emblems for Louisiana State University, the Southeastern Conference, and college football. LSU's only Heisman Trophy winner, Cannon led the Tigers to a national championship in 1958, igniting a love of the game in Louisiana and establishing a tradition of greatness at LSU. But like many stories of lionized athletes who rise to the status of legend, there was a fall—and in the case of Billy Cannon, also redemption. For the first time, Charles N. deGravelles reveals in full the thrilling highs and unexpected lows of Cannon's life, in *Billy Cannon: A Long, Long Run*. Through conversations with Cannon, deGravelles follows the athlete-turned-reformer from his boyhood in a working-class Baton Rouge neighborhood to his sudden rush of fame as the leading high school running back in the country. Personal and previously unpublished stories

about Cannon's glory days at LSU and his stellar but controversial career in the pros, as well as details of his indictment for counterfeiting and his post-release work as staff dentist at Louisiana State Penitentiary at Angola, unfold in a riveting biography characterized by uncanny success, deep internal struggles, and a champion's spirit that pushed through it all.

Sacred Disobedience Sharon L. Coggan, 2020-07-15 Sacred Disobedience: A Jungian Analysis of the Saga of Pan and the Devil traces the ancient Greek God Pan, who became distorted into the image of the Devil in early Christianity. When Pan was demonized, the powerful qualities he represented became repressed, as Pan's visage twisted into the model of the Devil. This book follows a Jungian analysis of this development. In ancient Greek religion, Pan was worshipped as an honored deity, corresponding to an inner psycho-spiritual condition in which the primitive qualities he represented were fully integrated into consciousness, and these qualities were valued and affirmed as holy. But in the era of early Christianity Pan "dies," and the Devil is born, a twisted inflation, possibly due to an underlying repression. In the Jungian system, repressed psychic contents do not disappear, as proponents of the new order tacitly assume, but distort and grow more powerful, or "inflate," to cripple the psyche that refuses to incorporate these split-off elements. Repressed contents will expand to explosive force as the repressed elements eventually return regressively from below. It becomes important then, to understand what qualities the primitive Goat God carried, to appreciate what was repressed in the Western psycho-spiritual system, and what subsequently needs reintegration.

Within a Budding Grove Marcel Proust, 2022-11-13 Within a Budding Grove beautifully examines the complex adolescent relationships that the unnamed young narrator begins to witness all around him, including the first pangs of love and the ardent adolescent desires. But most importantly it explores the unbridgeable gap between childhood innocence and the disappointment of adulthood. The novel was scheduled to be published in 1914 but was delayed by the onset of World War I. When published, the novel was awarded the Prix Goncourt in 1919. My mother, when it was a question of our having M. de Norpois to dinner for the first time, having expressed her regret that Professor Cottard was away from home, and that she herself had quite ceased to see anything of Swann, since either of these might have helped to entertain the old Ambassador . . . Marcel Proust (1871-1922) was a French novelist, critic, and essayist best known for his monumental novel *À la Recherche du Temps Perdu* (1913-1927). He is considered by English critics and writers to be one of the most influential authors of the 20th century. Charles Kenneth Scott Moncrieff (1889-1930) was a Scottish writer, most famous for his English translation of most of Proust's *À la recherche du temps perdu*, which he published under the Shakespearean title *Remembrance of Things Past*.
